Please explain what you mean by saying the case is “a work in progress.” Did you in fact make a criminal complaint and “meet with the detectives” as you wrote in your pleading?

Sir,

Please only communicate with me on my gmail account. The other email I had inadvertently contacted you on and is a private email.

Secondly, the case is still a work in progress. I had only informed the court because it has been annoying dealing with the harassing messages.

Good morning, Mr. Greer.

I still haven't heard from you with reference to my March 12 inquiry below. You indicated way back on January 3 that you would be providing the “police case number” referring to my clients. Yet you have not done so. Is there any reason for the extraordinary delay?

Best,

Good evening, Mr. Greer.

I write because I have not received your response to my email inquiry below. Can you please provide me — and the Court, given your representations at ECF No. 213 — the “police case number” that you promised you would provide back in January?

Also: I note that at ECF No. 249, and in an email to me on February 20, you stated that you would be filing a sanctions motion against me. I have not received such a motion. I write to remind you that it is your obligation to serve your sanctions motion on me 21 days before filing it with the Court pursuant to Fed. R. Civ. P. 11 (c)(2). When should I expect to receive that?

Thanks,

Good evening, Mr. Greer,

I was re-reading your pleading from January 3, 2025 (below). In it, you stated "Plaintiff will provide the Court with the police case number after the complaint is filed with the detectives."

ne meets with the detectives.

It does not appear that you have ever provided this information. Can you explain why not? It has been over three months.

Best,
